## Domestic Mission

We are still looking into ways to help with the STRIVE program, but we do know of several immediate needs. STRIVE serves young adults ages 18—25, who have aged out of Foster Care or grew up in poverty.

Reliable transportation is always a problem for them. If you are handy at repairing vehicles or getting discounted parts for vehicles, I know they would be so appreciative of your help.

Other needs expressed by the youth are for:

\$10.00 Gas gift cards

Bus passes...

Baby items: diapers sizes 3 and 4, wipes, powder, lotion & diaper cream

Hygiene items: toothpaste, shampoo, conditioner, body wash

(Some are in school and need these items.)

Scientific calculators

Planners and calendars,

college ruled notebook paper, mechanical pencils, pens.

Storage drawers/bins/accordion files

Sheets/comforters/blankets

Wash cloths/towels/dish towels

This will be our domestic mission focus for the month of July. Boxes will be in the foyer for donations.

## Food Pantry Sunday

Next Sunday, July 12th is Food Pantry Sunday. The item of the month is cereal. Other non-perishable items are always welcome. Peanut butter is always a need.

## TFI Meal and Meeting

The Foster Families with TFI will be having their July meeting on Thursday, July 16<sup>th</sup> at 6:00. We will be serving the meal at 6:00 with the meeting to follow. Childcare will be provided. We need help with cooking the meal and with the activities for the kids. We will start cooking at 2:00. We will need help with the kids' activities starting around 6:30.

## Youth Group Mission Trip

Our youth group will be leaving on their mission trip to Tahlequah, OK on July 19<sup>th</sup>. While they are there they will be helping paint and repair homes in the area. They will also be meeting youth from other areas as well as participating in worship activities in the evenings. We will have some time for fun as well. We are planning on going on a float trip while we are there.

## International Mission

[Harvesting 4 Haiti Foundation](#)

A great post from Bona Responds, Jim Mahar, reminded readers that young Haitians are taking hold of their own destiny by thinking of ways to help their country and generation through self-sustainable efforts. H4H is proud of the Haitian organization we are financially assisting to do just that through agriculture programs designed to bring agro-business to the forefront again in Haiti. Grandview is blessed to be a part of this mission in Haiti!

## Camp Horizon

A big thank you to everyone who has donated to the camp scholarships! We have had several kids go to Camp Horizon from our church. We also have a couple of our youth going as Counselors in Training at the end of July.

The gloves and tools that we gathered in June were delivered last week. They are appreciated and will be put to good use.

Youth and youth leaders are cleaning up brush at Camp Horizon in April, 2015.

Camp Horizon is also available for personal retreats, family reunions, weddings, etc. It is a beautiful place to go to have a picnic, reflect, and enjoy the beauty God has made. I hope you will be able to find a time to go and check it out.
